MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: DPD Staffing Complement

1. Paragraph 5 of this memorandum contains recommendations for your approval.

2. The Deputy Director (Plans) has requested that a new position, Assistant Chief of DPD, be established on the Staffing Complement of that Division. It is planned to include this position among the authorized supergrade positions of the Clandestine Services at such time as a general revision of the supergrade structure is undertaken. For the present, therefore, it is suggested that establishing the new position at grade GS-15 will provide the necessary assignment point for the individual to be designated as Assistant Chief.

3. The Office of the Chief, DPD is now serviced by one Secretary (Administrative Assistant), grade GS-9. To provide adequate secretarial services to the positions of Chief, Deputy Chief, and Assistant Chief, it is requested that an additional position of Secretary, grade GS-7 be established.

4. The authorized strength and planned positions of DPD are currently established at [redacted] effective 1 July 1960. As the Deputy Director (Plans) informed you, he intends to review this situation in the next month or so and make such changes as circumstances require. Because of that, we are not suggesting equating deletions in the planned positions at this time.

5. Recommend establishing of two new positions in the Office of the Chief, DPD, i.e. Assistant Chief, GS-15 and Secretary, GS-7.
